

Reminder Notice

Dear residents:

Please take note of the following reminders...

Parking and Vehicles

No parking on streets or the grass areas are allowed at any time. Vehicles illegally parked will be towed without notice. All vehicles must be properly registered and have a valid inspection sticker. All vehicles that are unregistered, have expired registrations and/or switched/illegal plates will be towed unless they are stored **INSIDE** your garage.

Rent

Rent is due by the **3rd** of every month, including weekends and holidays. Rent received after the 3rd will be considered late and a late fee of \$75 will be assessed. If rent is late, a certified check or money order will be required.

Please make all check payable to East End Property Company #1, LLC

Garages

Please keep all garages closed at all times. Open garages attract rodents and stray cats/dogs.

If you have any questions, please call the leasing office. Thank you for your cooperation.
